2nd November 2016

Dear parents,

Two things; **Firstly** as we approach the end of the year and the Community Fete we are again preparing for the Christmas raffle.

As well as seeking support from local businesses for donations, this year we are also asking if families would be able to contribute a small non-perishable food item/drink to go with the hampers.

If you are able to donate an item, please drop it into Pam in the Front Office before Friday the 2nd of December (week 7).

The other major difference this year is that raffle tickets *will only be sold on the night of the fete*. This saves the burden of families having to sell books of tickets and avoids the problem of books going missing.

We sincerely thank you for your generosity in supporting our school/preschool with our major fundraising raffle for the year.

Secondly, if anyone is interested in joining with other parents to form a 'fete organising committee' we'd love to hear from you. Although many facets of the fete organisation are well under way we are keen to seek fresh ideas and assistance in ensuring the night runs as smoothly as possible.

We will hold our first meeting this coming Tuesday morning - the 8th November, in the library at 9:00am. Please join us and if you can't make it, but would love to help out, please make sure you catch up with me beforehand.

Kind regards,

David Manuel.
Principal
