## ICT Agreement

### Rationale

- Students at NPS have the privilege to use Information Communication Technology (ICT) to enhance their learning.
- The internet and other digital information and communications technologies are powerful tools, which open up new opportunities for everyone.
- These technologies can stimulate discussion, promote creativity and raise awareness of context to promote effective learning.
- Young people have an entitlement to safe internet access at all times.

### For student's personal safety:

- Students are not permitted to use the ICT systems for on-line gaming, internet shopping, file sharing, video broadcasting (eg. Youtube) or social networking
- ICT accounts will be monitored by the school
- Passwords or devices will not be shared
- All use of ICT will be intended for education use only – under teacher instruction
- No games will be played, beyond teacher instruction
- All searches are topic specific - under teacher direction
- There is no free time on any ICT device
- No private logins will be used
- Teacher approval is needed for printing (1 copy)
- Students will immediately report any ICT problems to their teacher
- Students will use devices at their desk
- Students will not eat or drink near a device
- Students will use ICT with complete respect – including following charging requirements

### Consequences

- **1<sup>st</sup> inappropriate use of ICT** – warning and phone call to parent
- **2<sup>nd</sup> inappropriate use of ICT** – lose ICT privileges for 5 days and phone call to parent
- **3<sup>rd</sup> inappropriate use of ICT** – lose ICT privileges for a term, parent meeting

### ICT User Acceptable Agreement

- I understand that I must use school ICT systems in a responsible way to ensure that there is no risk to my safety or the safety and security of the ICT systems and other users.
- I understand that the school has a right to take action when students are involved in inappropriate use of ICT.
