2pm in the staff room

Week 4

Science Week

Week 5

Book week

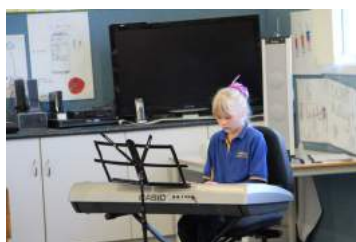

Friday 24th August

Gymnastics

## Celebration of Learning Assembly

On Tuesday 3rd July the school held another "Celebration of Learning" Assembly. Again the turn out from the parents was great and our students were able to show what they have been focussing on during the term.

Parents were treated to singing, a short play, musical performance, displays of art work and speeches made by our students. We look forward to holding another assembly next term and hope that even more parents are able to attend!

# Principal's Column

G'day everyone,

Well here we are half way through the year already. As we saw on Tuesday at the Celebration of Learning Assembly, the students have worked extremely hard this term and produced some amazing work. Some of the work will be entered in to the upcoming Crystal Brook show.

A special mention to Natasha Sadedin who was awarded a 'Highly Commended' award for her entry in the junior prose section of the Rocky River 'Riters, Laura Literary Awards. Well done Natasha!

## Parent –Teacher Interviews

Thank you to those families who have made the time to speak with the teachers regarding your child/ren's progress. It's always a great opportunity for teachers and parents to share information that will help us to work together in improving the learning experiences for all students. If you have been unable to catch up with the teachers over the past two weeks, please feel free to catch up with them early next term and arrange a mutually convenient time to chat.

## School Holiday Security

Just a reminder to our local families and community members: we ask that you keep an eye on the school over the holiday break and that if you do see something that seems suspicious, particularly people hanging around the buildings, please call the Police on **131 444**. Thank you.

Enjoy the holiday break everyone—see you all in a couple of weeks!

David Manuel

Principal

## Key Dates to Remember for Term 3

30th July	Governing Council Meeting	31st July	Early dismissal 3.10pm
Week 4	Science Week—TBA	Week 5	Book Week—TBA
24th Aug	Gymnastics starts

# What do our Emergency Services do?

Our Preschool and R/1 class visited the Ambulance and MFS in Port Pirie and found out what our Emergency Services people do to help our community. The students were also treated to a visit from our very own SES volunteer, Pam from the front office. There was lots of questions for the Ambulance and MFS about being part of the Emergency Services. Thankyou Miss Kate and Miss Donna!
