Hi everyone,

As we are winding down to the end of the school year, staff are making their final assessments on the students learning. This year at Napperby we have had continued and sustained growth in both the primary and preschool. All data indicates that we are continuing to make an impact on the learning outcomes for all of our students. End of Year reports will be sent home on Thursday, Week 9..

Read, Write Inc will continue next year as this has proven to be a highly successful tool in student growth. Next year we will be implementing an exciting new numeracy program called Back to Front Maths. We will be working closely with the Back to Front team to track, monitor and assess our students understanding in Numeracy. We will be teaming up with Crystal Brook Primary School and Laura Primary School to ensure that our students are receiving the highest quality learning opportunities in this area.

The implementation of this work will be led by Mrs Sheri Nicholls. Mrs Nicholls has been successful in winning the position of Curriculum Coordinator at Napperby Primary School for 2022. I would like to congratulate Sheri on her appointment and I know she will do an amazing job of ensuring that the program is successful.

Please note that there are a number of end of year events coming up in the next three weeks. I look forward to celebrating the year with you at these events as we see out 2021 and then begin to look forward to 2022.

Our Preschool Children have been taking part in our whole school transition and they're super excited and ready for school in 2022!

MONARTO CAMP 2021

In week 2, the middle and upper primary set off for our school camp to Adelaide. Our first stop was at Monarto Zoo where we were welcomed by many incredible animals from all over the world. The kids were put to work, shovelling Bison droppings and surprisingly enjoying the experience. We were able to get up close and personal with the giraffes which was a highlight for many. From there we moved onto Woodside Adventure Park which did not disappoint. Each day we undertook a range of activities from boomerang art, to bouldering to laser tag and so much more. Everyone participated in every activity and the entire group had an absolute ball whilst learning new skills. Finally, it was time to head home. The bus ride back was much quieter and students were all very excited to be back home. It was an amazing experience for all and one that everyone will remember for a lifetime.

RESPECT RESPONSIBILITY CONFIDENCE PERSISTENCE

JUNIOR PRIMARY

The JP class have had a lot of fun exploring the outdoors for maths, collecting data and analysing results.

Earlier in the term our JP class had an amazing day exploring the Adelaide Zoo.

RESPECT RESPONSIBILITY CONFIDENCE PERSISTENCE

Week 6 Award Winners

Courtney

Persistence

For always showing great pride and persistence in all her learning areas.

Nate

Confidence

For showing great confidence in his reading and writing, resulting in meeting his goals.

Jaylah

Persistence

For trying her best to stay focused in RWI and as a result has made great progress with her learning

George

Persistence

For always being persistent and making fantastic growth in their learning.

Piper

Respect

For always showing kindness and respectful behaviour towards other classmates and teachers.

Mason

Persistence

For always being persistent and making fantastic growth in their learning.
