Principal's Report

It is hard to believe that Term 2 has come to an end. It started off a little bumpy with Covid disruptions but thankfully routine was restored and children have been happy, safe and engaged in their learning.

Positive Vibes around NPS:

- ✓ **NAIDOC Week** – celebrating and recognising the history, culture and achievements of Aboriginal and Torres Strait Islander people
- ✓ A fun and exciting **Wheels Day** organised by our SRC
- ✓ We are so lucky to have an **inviting Preschool** on site and appreciate the hard work of Miss Gabby, Shianne and Annie (**Playgroup**)
- ✓ Jackson Staker, a Year 10 and budding teacher, here on **Work Experience** this week experiencing the liveliness of NPS

Reports

Teachers have been busy writing student reports. It has been great to read the students' progress. Please make an appointment with your child's teacher if you have any questions or concerns.

Breakfast Club

We are excited to announce that our **Breakfast Club** will be returning next term. On Wednesday and Thursday mornings from **8:30-8:50am** children are welcome into the kitchen for some breakfast and conversation. We have clear expectations of the children during this time which they will quickly learn. We also look forward to our school leaders assisting with the Breakfast Club and making it inviting to all. Thank you to **Mrs Avril Luke** for all of her work towards setting up this program.

Sport

The 4/5/6s got out of their comfort zone and participated in the district soccer carnival last week. It was amazing to see them have a go, improve their skills, develop a sense of team work and work on their resilience. Thank you to Mr **Sam Cousins** for his excellent organisation of the day. Also thank you to **Sophie Keliouris** and **Melanie Jesson** for managing a team each on Friday. It was fantastic to see parental involvement and the Napperby spirit on display. We are looking forward to another carnival next term.

Student Free Day

On the first Friday of term 3 (**29/7/22**) the staff will be engaging in more Maths Professional Development. This is in line with our Site Improvement Plan goal of developing a consistent and effective whole school approach to numeracy.

Lunch Orders

We continue to get lunch orders from Pirie West Primary School each Wednesday. This is only viable with volunteers picking them up each week. If you can, please put your name day for a Wednesday next term. This will be reviewed at the end of Term 3, if we don't have enough support we will need to look at other options.

Enjoy making memories these school holidays and we look forward to another productive term 3.

Regards

Robyn Staker

WHEELS DAY

Wheels day is an event that our students ask to bring back every year!! Today our students put their helmets and either rode, scooted or skated their way to school. Students agreed that Wheels Day would be a gold coin donation, to which all money raised would go towards the Cancer Council Foundation.

RESPECT RESPONSIBILITY CONFIDENCE PERSISTENCE

NAIDOC 2022

In recognition of NAIDOC week the school sold donuts decorated as the First Nations Flag as well as NAIDOC temporary tattoos and wrist bands. All the money made will be put towards indigenous educational recourses.
