Principal's Message

Hello everyone,

Welcome back!

It is so exciting to be back at school for what will hopefully be a COVID-free 2021. This year is particularly exciting as we have some changes around the school and some exciting events planned.

I would like to welcome Mr Sam Cousins who has taken on the position of Upper Primary teacher this year. Sam has already started building great relationships with both staff and students and has fit in well with our school community.

We are anxiously awaiting the arrival of a final delivery of new furniture and equipment for the Preschool and JP class rooms. The space has already been transformed with new flooring and a paint job, giving the space a more open and inviting feeling for our youngest students. We will be so excited to share our new space with you once everything has arrived.

I am excited to announce that this year we are planning on holding a camp for our Middle and Upper Primary classes. **We will be holding a parent information session for the MP and UP camp on Thursday 18th Feb, starting at 2:50pm and Tuesday 23rd Feb, starting at 5:30pm in the Upper Primary room.** These information sessions will provide you with all of the information and costs involved with the camp. I strongly encourage you to come along to these sessions with your child as they will allow you to ask any questions you may have. Both sessions will be the same so attendance at one session is necessary. I will reveal the camp location at the information sessions, but here is a couple of clues you can use with your children to try and work out where the camp will be held.

Rob

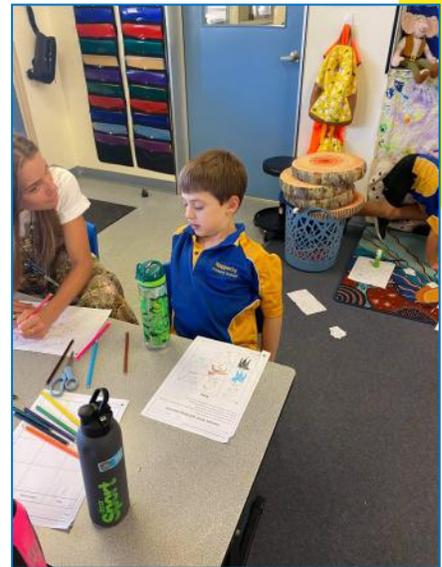

Hi,

My name is Sam Cousins and I am the new Upper Primary teacher at Napperby this year. I have recently finished studying a Bachelor of Education at the University of South Australia and will be starting this year fresh as a graduate teacher. Having grown up in Crystal Brook I am extremely excited about moving back to the area and starting my teaching career. I have a passion for sports and play cricket in Adelaide and football for the BSR Tigers. I cannot wait to spend more time getting to know everyone in the school community and look forward to what this year has in store.

Middle Primary Term 1

Middle Primary students have had such a great start to the 2021 school year. They are all excited and eager to learn and have excellent routines established quite early. We have had a significant focus on 'Who We Are', emotions and our Napperby Learner Qualities. We have a daily handwriting routine, which has already had a great impact on student confidence in their willingness to write for a sustained period of time. Students have had their 'voices' heard in the teaching of mathematics and have discussed that they would like to have a lot of hands on learning, team work, more challenging number work and learning quests. This has kept us all on our toes, and there is a great deal of fun and adventure in the learning that we have been doing. I am looking forward to sharing with you later in the term, what amazing learning we have achieved.

The Leader's Loop

Our Student Leaders for 2021

Ghoerge

Ella

Hi. My name is Ghoerge and I am proud to be a student leader. I am looking forward to helping other people and fixing problems in the yard.

My name is Ella and I am really happy that I'm a student leader in 2021. I want everyone to know that if you are lonely you can play with me and I will help everyone that I can.

Lucas

Leighton

Hi. My name is Lucas and I am really excited to be a student leader in 2021 because it will give me a chance to help other students.

Hello. I'm Leighton and I am very thankful to be a student leader and I look forward to helping out around the yard.
